

Emma Mohs ★ Product Designer

WORK EXPERIENCE

Product Design Intern | West Monroe Partners

06/2024 – 08/2024

At a worldwide digital consulting agency, I owned the end-to-end design of a communications feature for a product that helps streamline participation loans between financial institutions.

UX/UI Design Intern | AltGrowth LLC

08/2023 – 05/2024

As the sole designer at a small startup, I collaborated on several AI-powered products, reimagining experiences with ground-up design, competitor analysis, and new feature ideation.

Transgender Advocacy Fellow | Pitzer College

01/2021 – 09/2021

Organized web development page for issues facing the trans and nonbinary community at Pitzer College. Interviewed students to identify potential areas of improvement for school inclusivity.

Behavioral Therapist | ACES Autism Center

06/2022 – 12/2022

While providing ABA therapy to children with autism spectrum disorder or other developmental disabilities, I demonstrated openness and sensitivity when interacting with kids and families.

Project Manager | Northern Navajo Medical Center

05/2017 – 07/2021

At a hospital serving the Navajo reservation, I coordinated a memorial rock-painting service to commemorate patients lost to COVID-19. Before the pandemic, I conducted health literacy surveys to improve patient-provider communication and produced tutorial videos for nursing staff.

Content Writer | Inflatable Design Group

01/2021 – 09/2021

I created high-quality written content for the company website, promoting various products to increase website traffic and improve SEO rankings.
